Institute of Surveyors (Saint Lucia) Inc. Announces Strategic Annual General Meeting to Shape the Future of the Profession

CASTRIES, Saint Lucia – The Institute of Surveyors (Saint Lucia) Inc. (ISSL) officially announces its Annual General Meeting (AGM), scheduled for Thursday, 7th May 2026, at 2:00 p.m. The meeting will be held at the Conference Room, Ministry of Finance, Financial Administrative Centre (5th Floor), Pointe Seraphine.

As the primary body representing surveying professionals in Saint Lucia, the ISSL has identified this year’s AGM as a critical juncture. The assembly aims to address several high-priority initiatives designed to strengthen the profession’s regulatory framework and its impact on the nation’s built environment.

Key Agenda Priorities

The meeting will focus on several pillars essential to the modernisation and elevation of the industry:

- **Legislative Advancement:** Progressing the Draft Surveyors’ Legislation, a vital step in enhancing professional recognition, regulation, and industry standards.
- **Stakeholder Engagement:** Strengthening ongoing dialogue with the Government of Saint Lucia, the Land Registry, and the Survey Department to streamline professional practice.
- **Digital Modernisation:** Finalising plans for a comprehensive revamp of the ISSL web platform to increase institutional credibility and member visibility.
- **Strategic Growth:** Re-evaluating the Institute’s direction to better serve emerging national and regional demands within the surveying and land development sectors.

A Call to Professional Action

The Executive of the ISSL emphasises that the continued relevance and effectiveness of the Institute depend upon the collective commitment of its membership. The decisions made during this session will have lasting implications for the future of the surveying profession in Saint Lucia.

"This AGM represents an opportunity for our members to contribute meaningfully to the advancement of our field," stated the ISSL Secretariat. "Active participation is essential as we work toward a more structured, visible, and influential Institute."

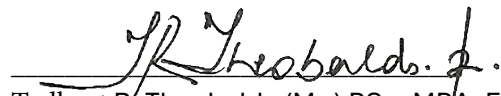

All members are strongly encouraged to attend and lend their voices to these pivotal discussions.

About the Institute of Surveyors (Saint Lucia) Inc. (ISSL): The ISSL is the professional organisation dedicated to the advancement of the surveying profession in Saint Lucia. It focuses on maintaining high ethical standards, promoting professional development, and engaging with stakeholders to ensure the integrity of the built environment.
